

We evolve beyond the obvious
and make a positive impact on people's lives

Microbiological Laboratory Environmental Analyst (Ref:MBE_0524)

About the company

RAFARM is an innovation-driven, dynamically growing pharmaceutical company and a well-established European manufacturer with an outward-looking orientation that invests 13% of net turnover in Research and Development. We introduce high technology in our state-of-the-art sterile manufacturing plant and create new production lines with cutting-edge technology and robotic equipment. RAFARM is a place where our people evolve and are full of passion and interests. We are a dynamic team that empowers talent, embraces diversity and accelerates development.

About the role

Our **Microbiological Laboratory department** is expanding, and we are actively seeking a driven and detail-oriented **Microbiological Environmental Analyst** to join our team. This role will be instrumental in ensuring compliance with microbiological standards and expediting the approval process for our pharmaceutical products

The role main accountabilities will be the following:

- Conducts the microbiological sampling procedure regarding the water system, utilities and clean room areas of the facility and the microbiological laboratory
- Completes appropriate documentation supporting testing procedures, including data capture forms, equipment logbooks, and inventory forms
- Understands and complies with all company policies, safety procedures, and SOPs, including cGMPs and cGLPs
- Maintain a level of technical knowledge and understanding in the assigned areas of responsibility that are consistent with the current scientific requirements of the company

Experience & Qualification Standards:

- IEK or TEI degree in health sciences, or relevant scientific discipline
- English will be considered as a plus
- Highly detail-oriented and organized, able to work both independently and as a team player with a positive attitude
- Excellent observation skills and problem solving abilities

Benefits

- Competitive Compensation
- Private Health Insurance
- Career Development Opportunities
- Work-Life Balance
- Innovative Work Environment
- Community Engagement
- Recognition and Rewards

We evolve beyond the obvious
and make a positive impact on people's lives

Why Join Us

At **RAFARM**, you'll be part of a passionate team dedicated to making a positive impact on global health. You'll grow your career in a dynamic and innovative environment where your contributions matter.
